## Principal’s Message

Denair Middle School (DMS) provides a small-school environment that addresses the needs of all students in a personalized manner. All stakeholders, including students, families and staff have the opportunity to work collaboratively to provide positive educational access for all students. At DMS, we strive to build and maintain positive relationships with our students, staff and families so that all are invested in our mutual success.

## School Mission Statement

Denair Middle School provides a comprehensive student-centered program that educates and encourages students to become lifelong learners and leaders.

## School Vision Statement

At Denair Middle School, we provide a personalized learning experience for our students where relationships are our focus. We prepare our students with the skills to continue their education by encouraging and developing students’ love of learning. Denair Middle School empowers all students through exemplary instruction and innovative programs.

## Parental Involvement

Parents and community members are an essential part of our school. Denair Middle School encourages and believes parent and community involvement is crucial to ensure student achievement. Our parents, community and staff work together in a number of settings and roles including our School Site Council, Parents Supporting Education (PSE) parent club, community events, site volunteering, classroom volunteering and athletic coaching. The DMS School Site Council meets four times a year to review the district’s Local Control and Accountability Plan (LCAP) and to develop school site goals to help improve student achievement and engagement. DMS believes that ongoing parent education plays a significant role in parent involvement and we continuously look for opportunities to engage parents in their own learning. This includes district facilitated parent informational meetings offered throughout the school year. For more information on how to become involved at the school, please call the office at (209) 632-2510.

## School Safety

The safety of students and staff is a primary concern at Denair Middle School. The school is always in compliance with laws, rules and regulations pertaining to hazardous materials and state earthquake standards. The school’s disaster-preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire or disaster drills are conducted on a monthly basis throughout the school year. Administrators, campus supervisor and assigned staff monitor school grounds before, during and after school. All visitors must sign in at the main office before entering the campus, wear a visitor’s badge while on school grounds and sign out upon leaving.

The Comprehensive School Safety Plan was developed by the administration in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment.

Components of the Comprehensive School Safety Plan include child-abuse reporting procedures, procedures for teacher notification of dangerous pupils, disaster-response procedures, procedures for safely entering and exiting the school, the sexual-harassment policy, suspension and expulsion policies, and the dress code. An updated copy of the plan is available to the public at the school office. The plan was last reviewed, updated and discussed with school staff in August 2023.

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school’s progress, test scores and achievements.

## Superintendent’s Message

The purpose of the School Accountability Report Card (SARC) is to provide parents with information about the school’s instructional programs, academic achievements, instructional materials, staff and facilities.

We recognize that parents and the community play a very important role in the school. Understanding the school’s educational program, student achievement levels and curriculum can assist both the school and the community in ongoing improvement.

We have made a commitment to provide the best educational experience possible for our students. The excellent quality of our program is a reflection of our highly committed staff. We are dedicated to ensuring Denair schools offer a safe and welcoming environment, where students are actively engaged in their own learning as well as developing positive values.

## District Mission Statement

Denair Unified School District empowers tomorrow’s leaders through exemplary instruction and powerful innovative programs. Our exceptional school environments are the best educational choice for all students.

### Enrollment by Student Group

The total enrollment at the school was 250 students for the 2022-23 school year. The pie chart displays the percentage of students enrolled in each group.

### Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Due to changes to the 2021–22 and 2022–23 PFT administration, only participation results are required for the five fitness areas.

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Statewide Assessments

**Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.

## CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### Textbooks and Instructional Materials

Denair Unified School District held a public hearing on September 14, 2023, and determined each school within the district had sufficient and good quality textbooks or instructional materials pursuant to the Williams Settlement. All students, including special education and English learner students, are provided their own individual textbooks in core subjects for use in the classroom and to take home to complete required homework assignments.

The district follows the State Board of Education’s adoption cycles for core content materials. English language arts and mathematics textbooks and instructional materials used within the district are aligned with the California Content Standards and Frameworks and have been selected from the state’s most recent list of standards-based materials.

All Denair USD schools follow the district’s textbook-adoption process and integrate appropriate supplemental instructional materials when necessary. The schools also provide additional alternative materials to meet the needs of students in the homeschooling process.

### Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

| Quality of Textbooks  |        | 2023-24 School Year |
|---|--------|---------------------|
| Criteria  | Yes/No |                     |
| Are the textbooks adopted from the most recent state-approved or local governing-board-approved list? | Yes    |                     |

### Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

| Percentage of Students Lacking Materials by Subject |    |
|---|----|
| 2023-24 School Year                                 |    |

### School Facility Good Repair Status

The table shows the results of the school’s most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility’s good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

| School Facility Good Repair Status   |               | 2023-24 School Year |
|--|---------------|---------------------|
| Items Inspected  | Repair Status |                     |
| <b>Systems:</b> Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC) | Good          |                     |
| <b>Interior:</b> Interior surfaces (floors, ceilings, walls and window casings)      | Good          |                     |
| <b>Cleanliness:</b> Pest/vermin control, overall cleanliness                         | Good          |                     |
| <b>Electrical:</b> Electrical systems  | Fair          |                     |
| <b>Restrooms/fountains:</b> Restrooms, sinks and drinking fountains                  | Good          |                     |
| <b>Safety:</b> Fire safety, emergency systems, hazardous materials                   | Good          |                     |
| <b>Structural:</b> Structural condition, roofs                                       | Good          |                     |
| <b>External:</b> Windows/doors/gates/fences, playgrounds/school grounds              | Good          |                     |
| <b>Overall summary of facility conditions</b>  | Good          |                     |
| <b>Date of the most recent FIT report</b>  | 9/20/2023     |                     |

*“All stakeholders, including students, families and staff have the opportunity to work collaboratively to provide positive educational access for all students.”*

### School Facilities

The school’s facilities include 24 class-rooms, a library, staff lounge, counseling office, cafeteria/auditorium/gymnasium, wellness center, tennis courts and outdoor basketball courts.

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Custodians and groundskeepers ensure all classrooms and facilities are maintained in adequate condition.

District maintenance staff ensure that the repairs necessary to keep the school in good working order are completed in a timely manner. A work-order process is used to ensure efficient service so that emergency repairs are given the highest priority.

### Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item’s repair status, all deficiencies are listed.

| Deficiencies and Repairs |  | 2023-24 School Year |
|--------------------------|--|---------------------|
| Items Inspected          | Deficiencies and Action Taken or Planned | Date of Action      |
| <b>Electrical</b>        | Need new controller for outside lights.  | Winter 2023-24      |

*“Denair Middle School provides a small-school environment that addresses the needs of all students in a personalized manner.”*

### Teacher Preparation and Placement

The teacher data displayed in this SARC is from the 2020-21 and the 2021-22 school years. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included. These tables display the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfdash201.asp>.

### Financial Data

The financial data displayed in this SARC is from the 2021-22 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at [www.cde.ca.gov/ds/fd/ec](http://www.cde.ca.gov/ds/fd/ec). For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at [www.cde.ca.gov/ds/fd/cs](http://www.cde.ca.gov/ds/fd/cs). To look up expenditures and salaries for a specific school district, see the Ed-Data website at [www.ed-data.org](http://www.ed-data.org).

### District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

### Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices.
