Principal's Message

Denair Middle School (DMS) provides a small-school environment that addresses the needs of all students in a personalized manner. All stakeholders, including students, families and staff have the opportunity to work collaboratively to provide positive educational access for all students. We strive to build positive relationships with our students, staff and families so all stakeholders are invested in our mutual success.

School Mission Statement

Denair Middle School provides a comprehensive student-centered program dedicated to motivate and educate students to become productive, effective lifelong learners and leaders as they grow and develop appropriate interactions with other members of society.

School Vision Statement

Denair Middle School will prepare our students with the skills to be college or career ready by encouraging and developing students' love of learning. We strive for a personalized learning experience for our students where relationships are our focus. Denair Middle School will empower all students through exemplary instruction and innovative programs.

Parental Involvement

Parents and community members are an essential part of our school. Denair Middle School encourages and believes parent and community involvement is crucial to ensure student achievement. Our parents, community and staff work together in a number of settings and roles including our School Site Council, Parents Supporting Education (PSE) parent club, community events, site volunteering, classroom volunteering, athletic coaching, and dance and field trip chaperoning. The DMS School Site Council meets four times a year to review the district's Local Control and Accountability Plan (LCAP) and to develop school site goals to help improve student achievement and engagement. DMS believes that ongoing parent education plays a significant role in parent involvement and we continuously look for opportunities to engage parents in their own learning. For 2018-19, this includes the Parent Institute for Quality Education (PIQE) and a variety of presentations from Sierra Vista Child and Family Services. For more information on how to become involved at the school, please call the office at (209) 632-2510.

School Safety

The safety of students and staff is a primary concern at Denair Middle School. The school is always in compliance with laws, rules and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster-preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire or disaster drills are conducted on a monthly basis throughout the school year. Administrators, campus supervisor and assigned staff monitor school grounds before, during and after school. All visitors must sign in at the main office before entering the campus, wear a visitor's badge while on school grounds and sign out upon leaving.

The Comprehensive School Safety Plan was developed by the administration in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment.

Components of the Comprehensive School Safety Plan include child-abuse reporting procedures, procedures for teacher notification of dangerous pupils, disaster-response procedures, procedures for safely entering and exiting the school, the sexual-harassment policy, suspension and expulsion policies, and the dress code. An updated copy of the plan is available to the public at the school office. The plan was last reviewed, updated and discussed with school staff in August 2019.

"We strive to build positive relationships with our students, staff and families so all stakeholders are invested in our mutual success."

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

Superintendent's Message

The purpose of the School Accountability Report Card (SARC) is to provide parents with information about the school's instructional programs, academic achievements, instructional materials, staff and facilities.

We recognize that parents and the community play a very important role in the school. Understanding the school's educational program, student achievement levels, and curriculum can assist both the school and the community in ongoing improvement.

We have made a commitment to provide the best educational experience possible for our students. The excellent quality of our program is a reflection of our highly-committed staff. We are dedicated to ensuring Denair schools offer a safe and welcoming environment, where students are actively engaged in their own learning as well as developing positive values.

District Mission Statement

Denair Unified School District empowers tomorrow's leaders through exemplary instruction and powerful innovative programs. Our exceptional school environments are the best educational choice for all students.

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2018-19 school year.

2018-19 Enrollment by Grade

Enrollment by Student Group

The total enrollment at the school was 228 students for the 2018-19 school year. The pie chart displays the percentage of students enrolled in each group.

Demographics

2018-19 School Year

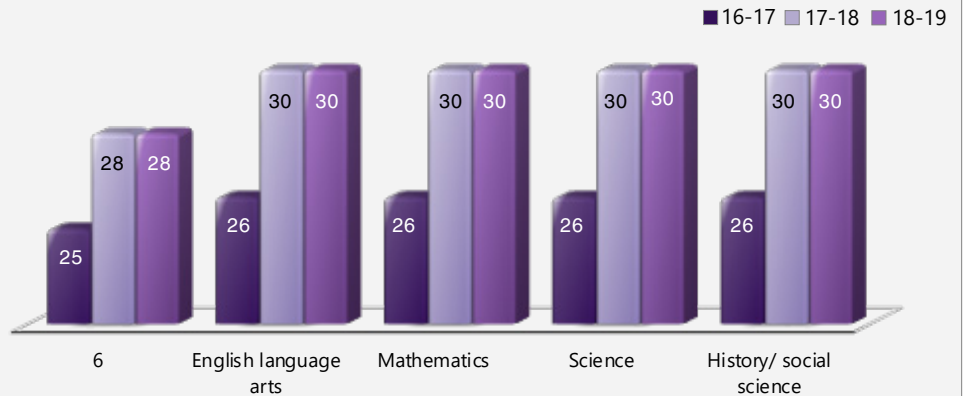

Student Group	Percentage
Socioeconomically disadvantaged	68.40%
English learners	15.40%
Students with disabilities	15.80%

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Assessment of Student Performance and Progress (CAASPP)

For the 2018-19 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 6-8.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Textbooks and Instructional Materials

Denair Unified School District held a public hearing on September 12, 2019, and determined each school within the district had sufficient and good quality textbooks or instructional materials pursuant to the Williams Settlement. All students, including special education and English learner students, are provided their own individual textbooks in core subjects for use in the classroom and to take home to complete required homework assignments.

The district follows the State Board of Education's adoption cycles for core content materials. English language arts and mathematics textbooks and instructional materials used within the district are aligned with the California Content Standards and Frameworks and have been selected from the state's most recent list of standards-based materials. New History/social science textbooks will be adopted in 2019-20 and new science textbooks will be examined this year for adoption in 2020-21.

All Denair USD schools follow the district's textbook-adoption process and integrate appropriate supplemental instructional materials when necessary. The schools also provide additional alternative materials to meet the needs of students in the homeschooling process.

Types of Services Funded

In addition to general state funding, Denair Unified School District receives state and federal categorical funding for special programs. The district received federal and state aid for the following categorical, special education and support programs:

- Educational Technology
- Assistance grants
- Entitlement per UDC
- Federal, Vocational and Applied
- Technology Education Act
- Federal, special education
- Federal, Elementary and Secondary Education Act (ESEA)
- Federal, interagency
- Grade Span Adjustment

School Facilities

The school’s facilities include 24 classrooms, a library, staff lounge, counseling office, cafeteria/auditorium/gymnasium, wellness center, tennis courts and outdoor basketball courts.

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Custodians and groundskeepers ensure all classrooms and facilities are kept up.

District maintenance staff ensures that the repairs necessary to keep the school in good working order are completed in a timely manner. A work-order process is used to ensure efficient service so that emergency repairs are given the highest priority.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

"Denair Middle School will empower all students through exemplary instruction and innovative programs."

Financial Data

The financial data displayed in this SARC is from the 2017-18 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.
